Fatfish buys gamer

AN Australian-listed company that invests in internet ventures has brought a majority stake in Malaysian-based mobile games provider AppXplore. Fatfish Internet Group, which has headquarters in both Melbourne and Singapore, has bought a 70 per cent stake in AppXplore through its High Joyful International subsidiary, and is expecting big things from the games maker. Chief executive Kin-Wai Lau said the company hoped to double downloads of AppXplore's products in the next year.
